

QUICK START GUIDE

ALD-14777

03/25

ONE Touch Easy

SWITCH ON (*extend*)

- Press the „**ONE Touch Easy**“ control button once
- The indicator ring lights up green
- The S.S.C. HD control module and the TV set switch on or boot up for approx. 15 seconds
- The satellite system automatically aligns itself with the last satellite set
- Once automatic alignment is complete, you can use your TV set as usual

SWITCH OFF (*retract*)

- Press the “ONE Touch Easy” button once
- The antenna retracts, and the TV and control module switch off completely (no standby).
- DONE

Smooth operation is guaranteed only with the ALDEN TV-SAT combination. We do not guarantee functionality with TVs from other manufacturers.
