ALDEN I-NET Camp 5G LTE WiFi Kit

Simple. Seamless. Connected.

The I-NET 512 Category 20 5G/4G LTE router is the ultimate solution for a fast, mobile internet connection on the go. Enjoy a hassle-free travel experience with fast internet in your motorhome, campervan or van. The I-NET 512 offers a range of features specifically tailored to the needs of travellers. External Wi-Fi networks, e.g. at campsites, can also be used in the vehicle with up to 150 connected devices. To use the Wi-Fi set, you will need a mobile SIM card, which is not included. The compact I-NET PLUS 5G external antenna offers high performance and is easy to install.

ALDEN I-NET 512 Router

- 5G LTE CAT_20
- 5G / 4G / 3G mobile networks
- Download speeds of up to 3.3 Gbps
- Connects up to 150 devices
- Firewall with pre-configured rules
- Easy to install via web app
- 2 x SIM card slots, 4 x LAN / 1 x WAN
- Wi-Fi 2.4 GHz / 5.0 GHz
- Inputs: 4 x SMA for 5G / 4G / 2 x Wi-Fi / 1 x GPS
- Power supply: 12 V (9–30 V)
- Dimensions: (L x W x D) 132 x 95 x 44 mm, Weight: 533 g

I-NET PLUS 5G Antenna

The I-NET PLUS antenna delivers high-quality performance and is equally suitable for motorhomes, vans and small commercial vehicles. Equipped with four 5G/4G LTE antennas and two Wi-Fi antennas, it ensures optimal use of mobile networks and Wi-Fi available at campsites, in shops or in public spaces.

- 5G / 4G / 3G Sub-6 LTE MIMO 4 X 4 Antennas
- Supported services: 5G / 4G / 3G LTE / SUB-6
- Omnidirectional
- Frequencies: 617 ~ 960 / 1710 ~ 2800 / 3300 ~ 6000 MHz
- Maximum gain: Without signal loss
617~960 MHz (4 dBi)
1710 ~ 2800 MHz (6 dBi)
3300 ~ 6000 MHz (8 dBi)

- WIFI MIMO 2 X 2 Antennas
- Omnidirectional
- WiFi-Frequencies: 2.4 GHz / 5GHz
- Maximum gain: 2.4 GHz (6 dBi) / 5GHz (6 dBi)

Dimensions: 180 mm Ø x 70 mm H
Weight: 680 g including all cables (2 m fixed cables)

Contents of the I-NET 512 LTE-WiFi-Kit:

- I-NET PLUS 5G Antenna
- ALDEN I-NET 512 Router
- SIM Adapter
- Ethernet-cable
- 12V connection cable
- 2x WiFi RP-SMA Antenna
- 4X Mobile SMA Antenna
